

FOR IMMEDIATE RELEASE

NOVEMBER 1, 2008

PositiveEdge Strategies is pleased to announce the launching of their Government Services and Solutions Division. PositiveEdge has played a limited role inside the Federal Government over the past five years; however, this Division intends to broaden its overall scope within many different agencies.

Marc E. Zigo will head this Division within the Federal and Local/State Governments. Mr. Zigo has recently come to PositiveEdge with experience inside of the Fortune 1000, Political sector and Small Business communities operating inside of the Government sector. PositiveEdge will continue to provide services and solutions to each client inside of the Information Technology, Healthcare, Defense and Aerospace areas. Mr. Zigo will also serve as Vice President of Strategic Development and as a member of the Executive Team.

“We are very excited to launch this Division full time across the Federal and State Governments” said President Sri Mirajkar. “We’ve been tested inside these sectors before and look for great things as we broaden our scope of services”.
